Case No. C-03-4519 JCS

JOINT STIPULATION REGARDING  
CASE SCHEDULE; ORDER  
THEREON

Trial Date: May 1, 2006 at 8:30 a.m.

The parties, through their respective attorneys of record, and subject to the approval of the Court, hereby jointly stipulate to modify the current case schedule with respect to the submission of expert rebuttal reports and the dates for fact and expert discovery as set forth in the table below. These extensions of time will allow the parties to complete some additional fact discovery required for preparing the expert rebuttal reports. The extensions of time sought by the parties will not affect the dates for dispositive motions, the hearing date on dispositive motions, or the trial date.

Date	Event
October 28, 2005	Due Date for Rebuttal Expert Reports
October 28, 2005	Close of Fact Discovery
November 4, 2005	Expert Discovery Begins
November 25, 2005	Close of Expert Discovery

The case schedule was originally set by the Court on March 8, 2004. The schedule has previously been modified to: (1) continue the *Markman* hearing from November 3, 2004 to November 10, 2004; (2) continue the *Markman* hearing from November 10, 2004 to December 8, 2004, and to extend claim construction dates by 30 days; (3) extend post claim construction discovery, motions, final pretrial conference, and jury trial dates by 60 days; (4) modify the schedule in light of mediation proceedings; (5) in light of the dismissal of several patents-in-suit, change the hearing date for dispositive motions, change the date of the pretrial conference, and set the date for trial; and (6) move expert fact discovery dates to better ensure efficient progression. The current schedule is reflected in this Court's Order dated August 12, 2005.

Subject to the Court's approval, the parties have agreed upon the following changes: (1) rebuttal expert reports, currently due September 30, 2005, would be due October 28, 2005; (2) the close of fact discovery, currently scheduled for October 7, 2005, would move to October 28, 2005; (3) the opening of expert discovery, currently scheduled for October 3, 2005, would move to November 4, 2005; (4) the close of expert discovery, currently scheduled for October 21, 2005, would be moved to November 25, 2005. The dates for dispositive motions (October 14, 2005),

oppositions to dispositive motions (November 4, 2005), replies to oppositions to dispositive motions (November 18, 2005), the hearing on dispositive motions (December 16, 2005), and trial (May 1, 2006) have not been changed.
